ABOUT US

- **Established Heritage:** Founded in 1980 by Mr. Vidhyasagar Vij, Bakers has become a leading name in the food industry, recognized for its unwavering commitment to quality and innovation.
- **Five Key Divisions:** Operating across five distinct divisions — Sauces, Baking Raw Materials, Flavors, Masala, and Retail Bakery Division — each contributing to a diverse and expansive product range.
- **Quality-First Approach:** At Bakers, quality is paramount. Raw materials undergo rigorous research and development processes. Only after passing stringent quality checks do they proceed to production.
- **Advanced Manufacturing Facilities:** Equipped with high-end German machinery, Bakers ensures precision and adherence to international manufacturing standards.
- **High Production Capacity:** With a daily production capacity of 25,000 tons of sauce, Bakers meets high demand while maintaining top-notch quality.
- **Extensive Product Portfolio:** Offering over 300 premium products, Bakers has something for everyone, catering to a wide range of tastes and preferences.
- **Global Reach:** Serving markets in India and World wide.
- **Accreditations:** Bakers holds several prestigious certifications, establishing it as a brand trusted for quality and safety, with a unique edge in South India.
- **Industry Leadership:** Bakers not only meets industry standards but sets new ones, continuously pushing the boundaries of excellence in the food manufacturing sector.
- **Services:** We Cater Bakeries, House Hold, HoReCa and Other Institutions.
